

Nursing Care Residence 喜登园护理与疗养院

Senior Day Club 乐龄俱乐部

Families should consider senior day care if:

- The person is unable to organise or manage daily living activities;
- They would benefit from companionship;
- It is unsafe for them to be left alone;
- The person's caregiver works outside the home for long hours or travels frequently.

家里的长者应该参与乐龄俱乐部，因为：

- 不能在家中自我照顾日常的起居饮食；
- 可以通过康乐活动可得到更多的益处；
- 独自在居家环境并不安全；
- 家中的看护者需要常时间在外工作或出门旅游。
